۱	Part G	SIGNATURE (Must be signed for elections to bed	come effective)					
1	I have read the enclosed enrollment materials, as well as the information available on the individual benefit plans. This enrollment form indicates my benefit elections for calendar year 2004. I understand that I am responsible for my share of the cost associated with these benefit elections. If I have elected no medical coverage, I certify that I have medical coverage through some other means. I understand that these elections are in effect for the entire 2004 calendar year and can only be changed during the year if I have a <i>Change in Status</i> (such as marriage, divorce, birth or adoption of a child). I also understand that I must notify the County within 60 days of such an event in order to make the necessary changes to my benefit elections. I authorize the release of information contained on this enrollment form to entities such as benefit providers, to the extent needed to properly administer the benefits I have elected.							
1 1 1 1 1 1 1 1 1 1	I understand that enrollment in benefits to which I or my dependents are not entitled is considered fraud. In all cases, I am responsible for the accuracy of my benefit elections and coverage levels. I further understand that if I willfully misrepresent the eligibility of myself or my dependents on my enrollment forms, or fail to take the necessary action to remove ineligible dependents, or in any way obtain benefits to which I am not entitled, my benefits will be canceled, I may be required to repay any claims which have been paid inappropriately, and I may face charges. I understand that the County expects to continue the group insurance benefits, but it is the County's position that there is no implied contract between retired employees and the County to do so. I also understand that the County reserves the right at any time and for any lawful reason to amend its group insurance benefits for retired employees. Further, I understand that the group insurance benefits may also be amended by the County at any time, either prospectively or retroactively, to comply with the Internal Revenue Code.
